

The Orchard Nursery On-Line Registration Form

The Orchard Nursery has 52 places funded by the LEA and an additional 32 places provided by Shiphay School. This arrangement enables us to offer the wraparound service of education and childcare with breakfast, lunch, after school and holiday clubs, all in the same purpose built accommodation. There is no difference in the quality of the provision and the same staff deliver the same curriculum. All staff are employed directly by the school and the provision is planned in the same way as other classes. If you require additional information, please don't hesitate to contact us.

Please help us to ensure that we know all the important information about your family and your child so that we can keep them safe and well cared for. All information is kept secure and in the strictest confidence.
